

EXPRESSION OF INTEREST

EOI-No.-WBDPL/PUR/CORP/71 DT.22.12.2022

Expression of Interest is hereby solicited for selection of prospective vendors for purchase of 3,00,000 (Three lakhs) MT ($\pm 10\%$) of Indian non coking washed / raw coal suitable for Thermal Power Plant of specification provided below, from resourceful & experienced vendors with proven track record of supplying similar quality and quantity of coal in other organizations (preferably Govt. organizations).

Background of DPL: Durgapur projects Limited is a Government of West Bengal enterprise engaged in the business of Thermal Power Generation. It has two Pulversied Coal fired Units with total Installed capacity of 550 MW (one unit of 300 MW and another unit of 250MW)

Description of job - Supply of 3.00 Lakh MT of Indian non coking washed / raw coal suitable for Thermal Power Plant of DPL as per required grade/GCV.

1. Details of required coal supply:

Sl. No.	Power Station	Nearest Railway Station	Wagon Type	Required Quantity (MT)	No. of Rakes
1.	The Durgapur Projects Ltd.(DPL)	Durgapur, Eastern Railway (serving DCOP siding)	BOBR or BOXN	3,00,000 \pm 10%	About 80 to 86 Nos. (Tentatively 01 rake per day)

2. Specification of Coal:

SI No.	Parameter	Desired Value
1	Grade	G10 to G12
2	Total Moisture (ARB)	7-9 %
3	Volatile Matter	$\geq 18\%$
4	Size	5 mm to 10 mm (less than 5 mm: maximum 5%)

Other detailed specification shall be mentioned at the time of tendering. The quality of supplied coal shall be determined based on joint sampling at receiving end.

3. **Mode of Delivery:** Coal is to be loaded into rakes and delivered to Power Stations by rail.

A standard rake shall consist of 59 wagons.

4. **Supply Tenure:** Supply should start within 15 days from the date of Purchase Order.

Completion of supply should be within 31st March, 2023. However, DPL may opt for extended period of upto further two months, as per requirement.

5. **Source of Coal:** Coal can be supplied from any location as per supplier's convenience. However, coal supplied from collieries located nearby the Power Station of DPL shall be Preferred.

The interested supplier shall submit the availability of the specified quantity of 3,00,000 MT in the following format:

GRADE	QUANTITY (MT)	
	Raw coal	Washed coal
G10		
G11		
G12		

The Supplier is to indicate minimum quantity of 3,00,000 MT in any one or two or all the three grades, either raw coal or washed coal or both, as per discretion. Any specified quantity of less than 3,00,000 MT under any of the above grade (whether raw or washed) shall not be considered for selection of prospective vendor. DPL shall specify the minimum required GCV and type of coal at the time of tendering.

Credentials

1. **Technical:** The Bidder should have the experience of executing similar nature of job for which EOI has been invited. Experience of having successfully competed similar supply during last 07 years ending last day of month previous to the one in which applications are invited should be either of the following:-

a. Three similar completed supply consisting of not less than the quantity equal to 40% of the specified quantity. Or

b. Two similar completed supply consisting of not less than the quantity equal to 50% of the specified quantity. Or

c. One similar completed supply consisting of not less than the quantity equal to 80% of the specified quantity.

Documentary evidence in support of work experience and fulfilling the requirement as spelt out in the EOI is to be submitted for consideration of credentials. These documents should be in the form of copies of Completion Certificates / submission of final bill. However, the originals of these documents shall have to be produced by the bidder, if asked for.

2. Financial:
